

1. Introduction Welcome to the Beepish website. This Terms of Use document governs the access and use of our website and the services offered by Beepish. By accessing or using our website, you agree to comply with and be bound by these Terms of Use. If you do not agree with any part of these terms, please do not use our website or services.

2. Description of Services Beepish is a Software as a Service (SaaS) platform specializing in information security, offering training, awareness campaigns, and phishing tests for companies. Our services are designed to help organizations strengthen their cybersecurity practices and protect their data against digital threats.

2.1. Training We offer a variety of customized training programs to meet the specific needs of each client, covering topics such as information security, safe internet browsing practices, and identification of phishing attempts.

2.2. Awareness Campaigns Our campaigns are developed to increase employee awareness about the importance of information security and best practices for protecting sensitive data.

2.3. Phishing Tests We conduct simulated phishing tests to assess employee readiness and identify areas that require improvement in terms of security.
